## **Letter of Intent – H2020-LC-GD-1-1 CSA**

Dear Mrs. Berchtold

We hereby declare that the Federation of European Fire Officers (FEU) intends to commit itself to participate as associated partner in the H2020 proposal for a Coordination and Support Action under the European Green Deal to the Commission in response to the call H2020-LC-GD-1-1-2020 coordinated by **Fraunhofer-Gesellschaft zur Förderung der angewandten Forschung e.V.**, acting as legal entity for its Fraunhofer Institute for Technological Trend Analysis INT (hereinafter referred to as Coordinator) within Horizon2020 - the Framework Programme of the European Community for Research and Innovation (2014-2020).

In this respect, we support the project and are interested in its results. We intend to contribute to the review of past wildfire events and the exchange within and across the thematic working groups on integrated wildfire risk management with the aim to support the development of cross-sector roadmaps.<sup>1</sup>

We accept not to make the proposal or parts thereof or any technical or business information, supplied by the Coordinator or any of the other participants of the Project, and declared as confidential, accessible to third parties. The obligation of confidentiality shall be effective for a period of five years after the date of this Letter of Intent. The obligation of confidentiality does not apply to information which is or becomes available to the public or for which the disclosing party has waived confidential treatment in writing.

Best regards,

  
Stephan Wevers,  
president
